INDUSTRY-LEADING FEATURES. THAT'S THE STRENGTH OF THE **CUB CADET ADVANTAGE.**

STEADY PRESSURE

Heavy-duty contractor grade AAA™ triplex pumps make your machine more efficient, getting the job done faster. The pumps also provide consistent water pressure, with no surges or pressure losses. That keeps you going strong as long as you need to.

HEAVY-DUTY HOSE

Tough and durable 3-layer 25'-50' hoses are made up of an inner layer of polyester, strengthened by a brass-coated steel braid, and a clear outer jacket.

INCREDIBLE VERSATILITY

Not only is this pressure washer easy to use, but on select models a side-assist handle attached to the wand makes for easy maneuvering and adjustments, allowing you to reach those tough-to-get-to spots. That makes your job easy and thorough.
